Dear Sir,

Commendation for Mr Richard HU

My school embarked on an Inter Uniformed Groups Service Learning Project to Cambodia from 26-30 November 2009.

I would like to commend you for a wonderful experience that your agency has delivered in bringing the team from PHS to Cambodia. The whole process, from planning to execution, was very well thought through under the able leadership of team leader, Mr Richard Hu. Richard was very forthcoming in his ideas, quick to react to emergency and above all, he put the pupils' safety as his first priority while exposing them to new challenges. Throughout the trip, the pupils were very comfortable with him, whom they fondly called "Uncle Richard". It was heart warming to read pupils' reflections that they felt that they are in safe hands though in foreign country. Richard's excellent interpersonal skills put all of us, the pupils, teachers and the local, at ease. This is the key success to this trip. Kudos, Richard.

We look forward to future working relationship with your agency, which we will highly recommend to our colleagues embarking on overseas trip. Keep up the good work!

Thank you.

Yours Sincerely,

Ms Lim Soh Peng
